

A Homework Booklet Algebra II Homework

Students can continue to build their algebra skills with Algebra II,

Grades 5-8 Homework Booklet! Conic sections, linear equations, exponents and logarithms are just a few of the topics covered in this homework booklet. Each page identifies the skill it addresses and examples and solution methods are included for each activity. This is a wonderful book for students just being introduced to algebra, as well as those who need a little extra help!

Features: A pull-put answer key in the center of the book to make checking answers quick and easy.

This book is intended to be completed by the student with little or no help from a parent or teacher, which makes it a great resource for use at home or school.

Our extremely popular Homework Booklet series is a must have for any student!

Great for reinforcing, reviewing, or teaching specific skills these

booklets feature step-by-step practice drills with easy-to-understand directions and highlighted examples. With over 85 titles for children in preschool to high school and covering all key subjects including math, reading, social studies, grammar, foreign language, and more, students will find the extra practice they need to succeed in all subjects!

Help your student today and collect all the titles in this amazing series!
