

TOUR OF DUTY 4K

Covering more than four decades, this is the first full-scale, definitive account of Kerry's journey from war to peace. Brinkley has drawn on extensive interviews with virtually everyone who knew Kerry in Vietnam. Kerry also relegated to Brinkley his letters home from Vietnam, voluminous war notes, journals, and personal reminiscences written during and shortly after the war. This material was provided without restriction, to be used at Brinkley's discretion, and has never before been published. William Morrow, 2004. HARDCOVER.
