

Dealing With the Enemy: Gay Military Erotica

When Petty Officers Lowe and Lodges were sent out into the desert on a mission they never imagined it would change the rest of their lives. After being captured they were taken to a deserted settlement out in the middle of nowhere. Although their training prepared them to deal with a number of different interrogation techniques, they weren't prepared for what Samuel, the head of their captors, did to them. Not only did they experience a level of pleasure they never thought possible, Samuel ended-up changing their lives forever.
