

## Confessions of a First Lady

What happens when the life you left behind literally shows up at your front door? Meet Veronica Millhouse. Veronica and her husband Marvin served as the heads and founders of Clover Hill Church of God in Christ in Atlanta, GA. From the outside looking in, one would never be able to tell that this family had not always been perfect in Gods eyes. The Millhouses had three beautiful children - a son Marvin, Jr., and a set of twin girls Destiny and Dynasty. Even Marvin Jr.s girlfriend was an example of near perfection. They were admired, loved and respected by their entire congregation. But what happens when buried secrets and hidden indiscretions get exposed for the whole world to see? Iesha was a bitter, deranged female who had been scorned by her ex-lover. Having lived years as a prostitute had taken its toll on her and she looked for someone to blame. Her lifes focus was to get revenge and cause havoc in someones life that did not want her and had moved on. She went through hell and high waters to make sure she destroyed her ex lovers life by any means necessary. Her move from Chicago to Atlanta had nothing to do with a job, as she had told her family; she was finally putting years of planning into motion. Everyone has a past. Take a journey with the Millhouse family and find out firsthand how secrets, lies and betrayal can turn a family upside down.
