

Sentenced to death for a crime he didn't commit, ex-cop Remo Williams is rescued from the electric chair at the eleventh hour and recruited by a secret government organisation named CURE. From this moment, he ceases to officially exist. From now on, he will be an assassin, targeting criminals who are beyond the law. Remo's trainer is a grouchy old Korean named Chiun, whose mastery of the terrifyingly powerful martial art of Sinanju makes him the deadliest man alive. Together Remo and Chiun set forth on their epic, impossible mission to vanquish every enemy of democracy - every bad guy who thinks they can escape justice. This is a new era in man's fight against the forces of evil. This is the time of the Destroyer. Breathlessly action-packed and boasting a winning combination of thrills, humour and mysticism, the Destroyer is one of the bestselling series of all time.
