

DARK HEARTED (COIL Book 2)

Dark Hearted, the second book in D.I. Telbat's COIL Series, ranks right along with the first...captivating from the beginning... Whether bringing you to tears or keeping you on the edge of your seat, each chapter will have you breathless for more. Allison H., U.S.

Dark Hearted is what I would consider the perfect suspense book. This is book two of what looks to be a great Christian influenced series. What makes a book great is the amount of involvement the reader has with the characters. A fast paced book with adventure on every page so much better than a movie.

Marsha Randolph Dark Hearted, Book Two of the COIL Series by D.I. Telbat, continues with the suspense that began in book one, Dark Liaison, A Christian Suspense Novel. The Commission of International Laborers mission is interrupted, and they are once again targeted by a dark enemy bent on hatred and racism. COIL founder, Corban Dowler, has developed commando-style teams, using non-lethal weapons, to extract threatened servants of the Lord from danger zones worldwide. Corban now musters all of his resources to search for his abducted operatives, and hopes to stop the evil intentions of the one they know as Abaddon. A biochemical weapon is about to change the world, and COIL may be the catalyst unless their brazen courage and boldness in Christ can change the tide. Where death seems indestructible, Corban Dowler's operatives carry God's love and determination into the midst of the darkness. Encrypted data finds its way to Corban from Karol Ngolsk in Romania, offering a glimmer of hope. Corban then leads the COIL team through a maze of intrigue and surprises, abductions and persecution, joy and sorrow, love and death from the grim forests of Europe, to the blistering desert of Africa. Though killing is not COIL's way, the dark hearted one has no such qualms. Dark Hearted by

D.I. Telbat, cover design by Streetlight Graphics, a 75,000-word Christian fiction, action-suspense novel, continues the adventure as COIL carries on with the Lords work to protect and rescue His people. And we learn again that there is no redemption without sacrifice.
