

Cheris Two-Pack #3 (Cheris Two-Packs)

This book contains two Jean-Luc Cheri taboo novellas that have been previously published, plus a bonus short story from Cameo Sparx. These stories are so hot, the rules don't allow it to be described completely. See the look-inside for the full description. **A Taboo Spying**, by Jean-Luc Cheri: Erica has had a taboo desire for Shane for a while, and she hoped a year away at college would cure her of the obsession. But during her first weekend back home with him, her lust is rekindled when she discovers a shocking secret he's been keeping from her: hidden video cameras in their house. **Married for the Weekend**, by Jean-Luc Cheri: Daniel Crane has a problem. His business associates think he's married, but his wife died several years ago. Now they want him to join them on a weekend retreat, and bring his wife along. And they're not taking no for an answer. The solution to his problem is twenty-year-old Ashley, a sexy beauty who's agreed to pretend to be his wife for the weekend. But the weekend turns out to be much more sexual than they anticipated, and the pair struggle to walk the line between convincing everyone they're husband and wife, and keeping their secret taboo desires in check. **Your Turn**, by Cameo Sparx: Eighteen-year-old Holly discovers an incredible taboo secret shared between Brooke and Nick. As Brooke leaves their home to marry another man, Holly decides she wants to take her place in Nick's life. But will he share her taboo desire? Contains graphic descriptions of taboo sex. Adults only. 68,288 words, or 274 standard pages, in length. (Not including supplementary material)
