

The City of Gomorrah (Angry Edenites Book 5)

Four strangers find the City of Gomorrah, where everyone has become so obsessed with knowledge that their minds have been interconnected. When the Gomorrians realize that one of those strangers, Requiem, is a preacher and can perform actual miracles, they think he is the Messiah and that he has returned to teach them great truths. Will Requiem save his fellow travelers, whom the Gomorrians have poisoned, or will his Messiah-complex force him to sacrifice those who do not recognize who he really wants to be? Read *The City of Gomorrah* and find out! David J. Rollins is a new exciting author with a style all his own. His stories are unlike anything else you have ever read, unless you have read Douglas Adams, Terry Pratchett, Christopher Moore or William Rankin. And if you have read those authors, you'll love David J. Rollins.

Reviews for Books by David J. Rollins
This humorous science fiction novel gets a gold star for imagination and for a very entertaining, whimsical book with loads of allegory. Its snarky and sarcastic and for some reason it I get the feeling the author is a fan of Phillip Dick. Gpangel (Amazon Review of *The Sales Crime Policeman*) I certainly wasn't expecting a novelette that had me talking about it all weekend to everyone who would listen! David Rollins has created a quirky, sick, but totally enjoyable world in the *Sales Crime Policeman*. EM Havens Blog (Review of *The Sales Crime Policeman*) I found it amusing and entertaining. I would recommend it to a lot of people. I like the characters and the world created. My favourite was actually the short story at the end. Enjoyable all round! Tom Vaus (Goodreads Review of *Mannequins in the Audience*)
