

This book offers us deep insight into our mind, and shows how an understanding of its nature and functions can be used practically in everyday experience to improve our lives. Part 1 is a practical guide to developing and maintaining a light, positive mind - showing how to recognize and abandon states of mind that harm us, and to replace them with peaceful and beneficial ones. Part 2 describes different types of mind in detail, revealing the depth and profundity of the Buddhist understanding of the mind. It concludes with a detailed explanation of meditation, showing how by controlling and transforming our mind we can attain a lasting state of joy, independent of external conditions.
