

Dealing with Dad: How to Understand Your Changing Relationship (Sunscreen)

Sometimes it feels like Dad is a stranger ... This important title deals with one of the most complicated issues facing teens and preteens today: how to communicate with their fathers. Why do kids have so much trouble understanding their dads? And why do dads have so much trouble managing the expectations of their kids? When teens are going through so many changes and defining themselves, not to mention gaining some independence, Dealing with Dad will help them understand how their relationship with their dads is changing, too, and how they can both get on the road to better communication.
