

Game (I Hunt Killers Trilogy)

Several months have passed since Jazz helped the Lobo s Nod police force catch the serial killer known as the Impressionist. Every day since then, Jazz has dealt with the guilt of knowing he was responsible for his father s escape from prison. Now Billy Dent is on the loose, ready to kill again. Jazz s reputation has spread far beyond the borders of his sleepy hometown, and when a determined New York City detective comes knocking on Jazz s door asking for help with a new case, Jazz can t say no. The Hat-Dog Killer has the Big Apple in a panic, and the police are running scared. Jazz has already solved one crime, but at a high cost. Innocent people were murdered because of him. Is the Hat-Dog Killer his means of redemption? Or will Jazz get caught up in a killer s murderous game? And somewhere out there, Billy is watching and waiting. From acclaimed author Barry Lyga comes the heart-stopping sequel to I Hunt Killers and this time, both the stakes and the body count are higher.
