

Briana Bentley is a black reporter with an agenda to expose the dirty dealings of local billionaires. She ruffles the feathers of one of these white chocolate magnates and finds herself kidnapped by none other than Scott Gardener. He isn't as angry as she thinks and he makes her a proposition she can't refuse that ends in a night of incredible passion... and later, a pregnancy.

Find out more about how Briana gets herself into this bind, and even more titillating, how she gets out of it. Readers beware, the content of this short erotic romance is highly sexually explicit and strong language is involved. This is intended for audiences 18 and older.
