

Randiana: or; Excitable Tales

The Amatory Adventures of an English Gentleman This long-censored gem of Victorian erotica, presented here in its original unexpurgated form, tells the story of our fifty-year-old protagonist as he recounts in sumptuously graphic detail the sexual conquests which have flavoured his life from youth to man. A gentleman of means with an appetite to match, James Clinton uses his wealth and influence to seduce the timid Lady-set of his high-society into an orgiastic frenzy, freeing within each of them a long-suppressed desire to be dominated. In ballrooms, boudoirs, and bordellos, he reveals the true nature of the high-brow and haughty. Written anonymously in 1884, *Randiana, or; Excitable Tales*, shatters all illusions of Victorian restraint and civility with generous lashings of deviance and naughtiness.
