

Reckless Behavior

Previous Book: Reckless Seduction
Genre: LGBT Erotic Contemporary
After six months with his lover, Cody yearns for monogamy. The threesomes he and Dante engage in are fun, but he needs more from the man he loves. Although Cody longs to tell Dante how he feels, he fears love and fidelity are two words missing from his older lovers vocabulary. The discovery of a naked man in Dantes apartment confirms Codys worst fears. The cliché Dante uses as an excuse for his betrayal further clouds the issue at hand. Cody doesnt know whether to trust the word of a man notorious for screwing around, or believe the worst and walk away from love he wants more than anything.
