

Working the Lead: Two-person Mechanics for the Lead Basketball Official

The Workbook Series breaks down officiating responsibilities by position and gives you condensed, specific information for the lead, trail and center positions. Each book uses dozens of Referees exclusive PlayPic and MechaniGram illustrations. Working the Lead is a must-have tool when working two-person mechanics. It contains the latest mechanics changes and has been updated for the 2003-04 and 2004-05 seasons.
