

Important Safety Rules For Children - The Truth About Skiing Volume 4

If you or your children sustain an injury, you need to know what to do and how to go about getting help. Do you think every ski instructor knows what to do? Yes, they do (or at least they should). However, you are ultimately responsible for limiting the degree of injuries wherever possible. You may not be aware of how to go about this, and I am convinced that even some ski instructors would struggle in such a situation. In this book you will find rules and techniques to help reduce the risk of injury for you and loved ones. No matter if you are a beginner or an expert, if you go skiing or snowboarding, you must know all this if you want to come home in one piece.
