

Spandex Simplified: Sewing for Skaters

Sewing for Skaters is the second title in Marie Porters Spandex Simplified series, and is all about designing and creating spectacular and durable figure skating dresses. It combines techniques taught in two of Maries early manuals (Skaters and Gymnasts and Dancers... Oh My! & The Skating Dress Style Book), updated with new styles and techniques... now in beautiful full color, featuring many photos and sketches! This book is appropriate for beginner to advanced levels of sewing ability, and is written from both a designer, and former figure skaters point of view. It will teach everything from the basics, to tricks of the trade. Spandex Simplified : Sewing for Skaters will prepare the reader to design and make almost any design of practice or competition dress imaginable. Given the cost of decent competition suits - or even practice dresses! - this manual will more than pay for itself with the savings from just one project! The entire book is written completely in laymans terms and carefully explained, step by step. Only basic sewing knowledge and talent is required. Learn everything from measuring, to easily creating ornate applique designs, to embellishing the finished suit in one book!
