

More Straight Talk: Answers to Questions Young People Ask About Alcohol

In *More Straight Talk, Answers to Questions Young People Ask About Alcohol*, the author faces us with information on what continues to be one of the most pressing drug problems of our society, the consumption and abuse of alcoholic beverages. The question and answer format makes the topic easily understandable for young and old alike and the author approaches the topic from the understanding and empathic heart of a counselor. Without question, this book is a must read for anyone interested in the problems associated with alcohol abuse in our families and society. It is especially imperative for parents of young children to read this book to gain information which will enable them to answer honestly and factually their children's questions about the use and abuse of alcohol. This book is an invaluable resource to help educators, the clergy, those engaged in substance abuse prevention and treatment, and others engaged in health care and the helping professions. Without question, Dr. Jones' book is a must read for anyone interested in the problems associated with alcohol abuse in our families and society. It is especially imperative for parents of young children to read this book to gain information which will enable them to answer honestly and factually their children's questions about the use and abuse of alcohol. Donald E. Smith, BS, M.Ed. Ed.D
