

Superior Secrets (Lake Superior Mysteries Book 3)

Its wintertime on the North Shore and the snow is thick on the ground. Jonah Borden, the coffee-guzzling, wisecracking, mystery-solving man of the cloth, is about to tie the knot with his sweetheart, Leyla Bennett. But just a few weeks before they do, Leyla decides to go undercover in a new cult to get an exclusive expose which would make her name as a journalist. However, as time goes on, Borden is worried that her commitment to the troubling new religion and her devotion to its evil, charismatic leader are more than just professional. When Borden confronts the cult leader, he is turned away and threatened. Meanwhile, mysterious hunting accidents begin happening around the town of Grand Lake. Assisted by his friends, Jonah tries to find a way to get Leyla out. What he uncovers is bigger than any of them had guessed. Now, he's in a race to save his own life, and those of his friends, before a powerful enemy finds them and destroys them. Superior Secrets is set amidst the wild beauty of Lake Superior. Featuring a cast of unique, memorable characters, this is part of the Lake Superior Mystery series. None of the books have to be read in order.
