

## Tis the Season (Echo Company Book 3)

Since arriving in Vietnam, the only things that have helped Lt. Rebecca Phillips have been her sense of humor and dedication to saving lives. When a Christmas Day medevac run goes awry, Rebecca must depend on her wits to survive in the jungle.

Michael, Snoopy, Sarge and the rest of the squad wouldn't have chosen to spend Christmas patrolling the jungles of Vietnam -- if they had the choice, that is. So what was an Army nurse doing wandering hurt and frightened in those same jungles? She wasn't supposed to be there -- not in the middle of a war. They certainly couldn't have imagined the harrowing story she had to tell.
