

## Four Smoking Hot Stories (BDSM Bundle)

Raminar Dixon presents FOUR of his most smoking-hot stories for your reading (and sexual) pleasure! Included in this four episode volume are stories featuring a steamy menage, pregnancy fantasies, light BDSM, and more!

Episode One: A Good Hard Cleaning  
The newest maid service in town, Sexy Scrubbers, doesn't do windows, but they sure do know how to give their customers a thorough cleaning they won't soon forget!

Episode Two: Baby Crazy  
After all the doctors tell her that her dreams of bearing a child are hopeless, Maria visits the mystical Miss Woodoo, a witch doctor who gives her a magic potion guaranteed to get her knocked up fast! The only catch is that the mixture will make her husband incredibly horny every night and she must avoid having sex with him until the seventh night! Can she make it?

Episode Three: Whore for a Day  
Faith is a single mom down on her luck when she runs into three helpful young lads at the local superstore. She's surprised at how courteous they are, but drawn in by their firm, tight bodies. When they make her an offer she can't refuse, it's not long before she lets them do more than just help with the groceries!

Episode Four: Stranded!  
Helen Foster, executive assistant to one of the richest moguls in the world, has her life turned upside down when the chartered flight she's on crashes somewhere in the west Pacific. Alone and injured, she's surprised to discover that the deserted island isn't so deserted after all! A small band of tribal savages take her in and she finds herself falling for the one that rescued her. Will she succumb to the primal need to have her pussy filled by his big, thick cock?

READ AN EXCERPT-----Please, I want you so bad, Greg moaned into my ear while lifting my skirt and clutching my naked ass. His hot breath against my neck drove me into a delirium, and he knew it. He had me pressed up against the kitchen counter and there was no easy escape. I

have to be with you, or Im going to lose my mind, baby.Oh, Greg, we...cant, I dissented. Im just...we have to wait.Why do we have to wait? He asked, his voice on the edge of sounding like a whining child. Were married. We can do whatever we want.With that, he pulled aside my soaked panties and parted my folds with his fingers. The electric tingle that came with his touch nearly took me to my knees, but he rubbed back and forth, stoking my arousal higher than it had ever been before.I want to taste you, he whispered, his hot breath in my ear.Finally, I relented. I could take it no more. Baby or no baby, my aching pussy had driven me into a carnal state of absolute insanity. It had to be pleased, and now. Without another second of delay, I hopped up onto the counter and spread my legs open for Greg.
