

Global Odyssey was started before a surf trip to Bali, Indonesia in April 2010. While Searching for a first aid kit geared towards surfers, Global Odyssey's founders discovered that a kit like this is hard to come by. Realizing the time, energy and money it took to create a custom first aid kit, the folks at Global Odyssey discovered the need for an "out of the box and ready" first aid and wellness kit, specifically designed for surfers. After researching first aid supplies, procedures, surf climates and terrain, and consulting physicians, the Global Odyssey Surfers First Aid Kit was born. The Global Odyssey First Aid Manual is a comprehensive guide that covers a variety of injuries, from reef cuts, ocean bites and stings to fractures, wounds and signs of infection, a definite for surf travel and home break use. Dont go on a surf trip without it.
