

Tulips and Treason (Omni Orchids Mysteries)

The town of Omni has a thorny problem...Two rival crime syndicates have chosen the quiet mountains of Utah as their hideout. Now they want to join forces and become stronger than ever. When the FBI needs to send two undercover agents to infiltrate the mob, they call on Jack and Molly field operatives of experience and skill to pose as floral-shop-owning Mormons so they ll blend in to the conservative background. Jack bears a resemblance to Joe Baker, notorious mob hit man, and stands the best chance of going undetected. The biggest challenge? Teaching Molly how to arrange a dozen roses. Compared to that, bringing down the Mafia will be a tiptoe through the tulips.
