

How To Talk to Strangers

Every day we have countless opportunities to make great connections, but often fear and shyness prevent us from reaching out. With the *How to Talk to Strangers*, video guide, learn how unexpected conversation can brighten your day, provide a new perspective, and make your life richer. Discover your own potential for connecting with people wherever you go. Learn the best conversation topics, how to have an open attitude, use the right body language, and ask the right questions. Join memoirist Suzanne Guillette as she demonstrates these skills on the streets of New York City.

To avoid a cold interaction, you want to have a warm approach. The most important thing you want to do when you are approaching a stranger for the first time is to send off Friend Signals. When we first meet someone, our brain has to quickly decide if this person is a friend or foe? Kio Stark, author of *When Strangers Meet: How People You Don't Know Can Transform You* (Simon & Schuster/ TED, 2016), shares her practice of initiating - 12 min

When you talk to strangers, you're making beautiful interruptions into the expected narrative. Watch and learn. You'll need a notebook for this. Say hello. Take a walk in a populous place like a park with paths or along a city sidewalk. Get lost. This expedition is a sequence of requests that get successively more involved as you progress if you are able to through each stage. Ask a question. Don't belong. Immediately after the trip, we connected on Facebook, and chat regularly. Putting myself out there, asking for help, and talking to strangers is now what I do.
